

Are you prepared to use your gun under the high stress and likely chaos of a home intruder encounter? You can be with training and careful forethought.

NRA Basics of Personal Protection In The Home Class.

sponsored by B.V.R.P.C.

You'll be trained in such areas as:

- Home Preparedness
- Selecting a pistol for self defense
- The importance of mental preparation before, during and after a violent confrontation
 - Firearms and the Law: The possession, ownership, and use of deadly force.
 - Live fire exercise in the fundamentals of defensive marksmanship and accuracy

Class date is Saturday, Sept. 5, 2015 - 9AM-5:30PM

at Beaver Valley Rifle and Pistol Club by Brady's Run Park

COST: \$90
