Project Appleseed events teach rifle safety and traditional rifle marksmanship skills, while reconnecting Americans of all ages and backgrounds to the people and events of the founding of our country. These skills have been passed down from generation to generation and are an American tradition that has been part of this nation from its very first days. Come join us and learn how to shoot properly in a safe, family- friendly environment. Hone your skills and challenge yourself on the Appleseed Qualification Test. Maybe you'll earn your Rifleman patch! So join us and hear some little-known Revolutionary War history, reaffirm your heritage. We are responsible for passing the lessons we learn and the values we hold dear along to the next generation.
